MEMORANDUM FOR: Director of Basic and Geographic Intelligence
FROM: Chief, Map Library Division, BGI
SUBJECT: Review of the IG's Report

1. In accordance with your request, comments on the Map Library Division's section of the IG report are forwarded herewith.

2. A considerable amount of emphasis has been given to the problem of location. We realize that additional space is not available, but the main request that we have is for "consideration of our problem". Perhaps there is a better way to fragment or otherwise locate the Map Library, without an increase in total, existing space, so that better customer relations and a better personnel situation may be achieved.
